

mattress **ANTIGÓNA**

1. Experience a „weightless“ state with foam developed by NASA itself. **VISCOR**[®] foam softens on contact with body heat, allowing it to conform to any curves. Simply tailored for you.

2. **KOMFORTAN**[®] with effective antibacterial **SANITIZED**[®] treatment limits the reproduction of microbes.

3. **KOMFORTAN**[®] foam guarantees optimal elasticity and proper support of the human body to assure your comfort.

4. The unique **7-ZONE MATTRESS** shaping evenly distributes pressure in each body zone.

5. **HIGH AIR CIRCULATION** supported by channels running across the core.

6. The **MORAVIA COVER**, comprised of exclusive knitted fabric with a high content of natural viscose, is exceptionally soft and pleasantly smooth, which is why we use it for our luxury line mattresses.

7. The **3D GRID** sewn into the cover is in perfect symbiosis with the mattress core to emphasise air circulation. The cover is divisible into two separate parts with a zipper running around the entire perimeter of the cover.

MATTRESS DESCRIPTION:

Extreme comfort owing to VISCOR® foam.

When warmed by body heat the VISCOR® foam (lazy foam) softens and adapts to the body shape, slowly and pleasantly sinking into the mattress. The slow-return effect provides even distribution of the mattress pressure across the body, which positively affects blood circulation, improves sleep quality and helps to relieve back pain. The central bearing layer of the mattress is created by foam with Sanitized® antimicrobial treatment to provide stability and high mattress permeability without impurities. ANTIGÓNÁ will provide sleep with relaxation of your entire body.

MORAVIA COVER:

The MORAVIA cover, comprised of exclusive knitted fabric with a high natural viscose content, is exceptionally soft and pleasantly smooth, which is why we use it for our luxury line mattresses. Natural viscose, the basic manufacturing material of which is cellulose extracted from coniferous trees, provides the fabric with necessary air permeability, perfectly carries moisture away and creates an optimum micro-climate for your healthy sleep.

- Composition: 60% polyester, 37% viscose, 2% polyamide, 1% elastane
- The cover is divisible into two separate parts with a zipper running around the entire perimeter of the cover.
- The 3D grid emphasises air circulation outside the mattress.
